NOTICE OF LANDFILL PERMIT RENEWAL

Niels Fugal and Sons has submitted a permit renewal application to continue operation of the Class IVb landfill located at 4465 West 8800 North, American Fork, Utah. The Class IVb landfill receives waste described in the permit application as 70% rock and dirt, 20% cement, 9% asphalt and 1% yard waste generated as part of the facility operations.

The Division of Solid and Hazardous Waste has reviewed the permit renewal application and a draft permit has been prepared. Before taking action on the request, the Division is providing a public comment period to receive input. The public comment period on the draft permit begins November 20, 2007 and will end December 20, 2007. A public hearing may be held if, within 15 days of publication of this notice, a request is made to the Executive Secretary in writing and meets the requirements of Utah Administrative Code R315-311-3.

An unofficial copy of the application and the draft permit can be viewed on the Internet at www.hazardouswaste.utah.gov. Official copies are available for public review during normal business hours at the following locations.
